Procurement Controlling 2015 / Einkaufscontrolling 2015

Synthetic procurement data — not SAP data

Definition: PPV = Actual Spend – Planned Spend.
Positive PPV = actual purchase prices above plan.
Positive PPV = tatsächliche Einkaufspreise über Plan.

Procurement data are synthetic portfolio data for demonstration purposes and do not represent a real SAP or company procurement system.

Einkaufsdaten sind synthetische Portfolio-Daten zu Demonstrationszwecken und stellen kein reales SAP- oder Unternehmenssystem dar
